Scotland 's War - Scottish History, Past and Future

Scotlands War aims at presenting Scotland 's past

Scotlands War aims at presenting the key military events that forged Scotland in the past. It ranges from the very beginning and the Roman invasion to World War II.

You will find a lot of information about the past of Scotland (wars and civil wars , but also more useful stuff on a day to day basis (map of scotland, the flag of Scotland and the songs that forge the Scottish soul, including Flowers of Scotland), as well as practical infomation if you want to visit Scotland in the near future, especially dealing with Hotels in Scotland.

Discover the History of Scotland before visiting the country

Understanding the History of Scotland is necessary to visit the place. The events that forged the Scottish Nation (wars, civil wars, rivalry with England) really had an impact on the development of the country and its history.

Before you look to the future, you must understand the past, a French philosopher said. This is true. The future of Scotland is predetermined by the last 2000 years.

Get the basics of the Scottish culture

Flowers of Scotland is an unofficial anthem but it tells you how the country grew. It explains the rivalry with the English neighbours and the Scottish state of Mind. Also have a look at the map of Scotland.
